

Yuval Beck is considered one of the leading, most experienced tap dancing instructors in Israel. Yuval and his two brothers, Eran and Amir, known as the Beck Brothers, have toured extensively throughout Israel.

Yuval's style is a combination of Fred Astaire and Gene Kelly's classic style combined with modern tap jazz which has become popular in recent years.

Yuval has trained extensively in New York with leading instructors, including Alan Onickel, Germain Saisburg, Phil Black, Savion Glover, and many others.

This will be Yuval's second time touring Canada for workshops and he has also had very successful workshop tours in South Africa.

Yuval's teaching is energetic and humorous with a focus on introducing a wide variety of fun and challenging techniques.
